LONE MANGA!  
PRESENTS

Chapter 66

...and  
I'm sure  
you know...

that the couple  
has been suffering  
due to family, and  
divorce for a couple  
of years now.

I've heard that  
anyone can start  
a fresh here.

so I come here  
first to secure  
a location for my  
family in the old  
continent...

...and

WHAT DO YOU  
MEAN THIS TICKET IS  
A FORGERY?!

They dragged my wife and child away from me, right in front of my eyes...

Away to those slave traders!

I was scammed!

Because I'm an illegal immigrant

I could not retaliate and chose to keep my mouth shut.

UGH!

## LONE MANGA!

At this rate, my child will be sold like an animal in next week's auction...

Please... Please help me...

Master...

How you must  
be suffering.

That's precisely  
why we are called  
the "Touch Chosen".

CLANG-

Please,  
be at rest.

Be at rest,  
my brother

May the light  
of "Luminaria"  
be with you.

Kalirak didn't  
look over there.

It's a  
temple.

It must've  
been abandoned.  
There's more and  
more growing all  
over it.

Here, take  
this key.

I'm heading  
over to Python's  
Taverning Branch for  
a brief moment.

I'll be back before  
noon, so until then,  
please stay put.

It's quite  
populated and the  
roads are the narrowest  
here, so it's easy  
to get lost.

Excuse me  
ma, Kama.

This room  
seems a bit too  
expensive.

Could we move to  
somewhere a bit more  
affordable, please...?

LONE MANGA!

Yikes, look  
to the right!

This must be the place Mr. Rotten was talking about.

Vicepent

The oldest sanctuary left behind by the Abyss

Right now, it's  
being used as a station  
for air vehicles.

I've only heard  
rumors about it, but  
it really is as big as  
they say.

DUNE MANIA

Pygion,  
Tutoring Branch

What? You can't  
contact them?

Tutoring Branch.

Yes...  
The teachers  
have been out of  
contact for the past  
couple of days...  
We're troubled as  
well, since the exams  
aren't starting.

What are they  
saying in the?

The others said  
that they'd dispatch  
an investigation, so  
there's no need for  
concern.

"Salmak"?

LONE MANGA!

But I lost  
control and ended  
in the forest...

crack

You're another man?

We weren't your  
father's usual type  
for our province.  
We did consider  
going to France but  
decided this location  
was better.

They're not on our  
side, are they?

They're  
letters from all  
sorts of merchants  
and nobles.

It's only natural  
for them to send  
letters to welcome  
the prince.
